Outreach Activity Description

Nexstar Broadcasting Group, Inc. continues to broaden its recruiting outreach by effectively establishing communication with recruiting resources in the broadcasting community, professional organizations, community based organizations and outreach through our corporate and local station job opportunities websites. Examples of the efforts made by stations in this employment unit include an ongoing internship program with regional colleges. Our department managers attend job fairs at local and regional colleges in an effort to recruit candidates with an interest in a broadcast related field; recent efforts include participation in the four Amarillo Job Fairs at the Amarillo Civic Center. Two TT Mass Comm Career Fairs and WTAMU Career Expo that Nylynn Nichols attended. For additional information concerning the outreach efforts undertaken by stations in this employment unit, see the attached EEO Public File Report. Since the current EEO rules went into effect the station has experienced no notable difficulties in our outreach efforts as of the date of this application.
